

BASKETBALL BINGO

Playing bingo during basketball games can help keep your kids engaged and busy while watching; they'll have fun spotting and marking off the different things on their bingo sheet.

Directions

1. Print out the BINGO sheet on recycled paper and go over all of the basketball terms.
2. During the game, have each kid look for the different items on their sheet.
3. Each time they see something that's on their sheet, have them mark it off.
4. The first player to get five in a row wins.
